

APOLLO[®]

POWER YOUR DREAMS

Apollo Gasoline Generators

True to Apollo quality, quiet, and convenience, we proudly present our gasoline generator series. Not only does this little giant offer an exceptionally sized fuel tank, it is easy and reliable to start. As with the rest of our equipment, it also comes with a low oil shutdown to minimize damage to the unit. The large air filter and premium muffler with spark arrestor allows for greater confidence. They are user friendly in the most demanding situations.

Apollo generators have a sturdy open frame great for cooling and rugged ability. The units, control panel feature circuit breakers, voltmeter, and plenty of outlets to provide power for all your needs. Quality, quiet, and convenience, anywhere, anyplace, and anytime. Apollo powers your dreams.
